Yo get off me  
Get off me  
Uh uh uh uh uh uh uh  
I can't stop  
Da da da da da da da  
I can't stop  
Da da da da da da da  
I can't stop  
Da da da da da da da

Yo get your hands off me  
Stop tryin' to hold me down  
Let me just move around  
Girl somethin' done happened to me  
Swear to God somethin' done snapped in me  
I need the whole floor for us  
I'm about to bust mommy and it's glorious  
I can't seem to stop my feet  
You hear my heart beat  
Digga digga digga digga digga digga digga  
Oh lord I'm about to pass out  
But when the night is over I'm a be the last out  
Sweat pourin' in my eyes vision blurry  
Even though my eyes is closed a see visions of her  
Uma siente mami in me coca  
Estoy bien livin' la vida loca  
Heart jumpin' and pumpin' it's about to pop  
But don't tell me nothin' back up

I can't stop  
Da da da da da da da  
I can't stop  
Da da da da da da da  
I can't stop  
Da da da da da da da

The way you press against me  
You messin' with me  
The way that dress is fittin' has got to be forbidden  
No reason for security I'm feeling secure  
You guardin' my body baby come on and give me

some more  
If all these people wasn't in here flocking around  
I'd have you in the middle of the floor baby knockin'  
you down  
They'd be talkin' about me when they walk in the house  
like hammers click click click gizza gizza gizza  
A damn shame how you do the damn thing  
Girl you off the damn chain  
But you're about to be tamed  
Look at ya  
Laughin' and grinnin' and dancin' and spinnin'  
It wasn't my intention but you got be bridging my linen  
come on  
Call the doctor get
