Intro the maestro, nice flow
Hot like nitro, cool as ice though
That type of docodimy, y'all know it's gotta be
Who else could it be but me

Rub your eyes but hold the big billy
It's dream supreme bean straight from Philly
It's the eclectic female attractor, rapper slash actor
Right back at ya

And to the next millennium many come but few are
chosen
See me servin' like the U.S. open
Another type of hustler listed at blockbuster
Go and ask a movie usher

Who is he, he or she, SFP, movies Cd's
And TV's, but uh uh
'Cause the day I take a break from that
As I rule where a tank of gas take me at

I used to rock these red, I rock Z's
Now I rock the M B's with twelves and V's
Today sun up high in the sky
From N Y la la me to M I

Just cruisin'
Where, baby, I don't care
Just cruisin'
As long as you take me there
Just cruisin'
Somewhere to clear my mind
Just cruisin'
Just cruisin'

Easy wrote a sixty flossin', ninety degrees
Sony cartridges, ten Cd's each, reach to the beach
South side leanin', it ain't often I'm off and I'm for the

Top down drop down, got me hot now heated up can't
stop now
What up cutie what sure, sure is cooking now

Yo I know I'm spoken for can't hurt lookin' no

Pop Cd's, B-I-G's, and Tupac's
While cruisin' on the blocks hittin' the hot spots
Got my celly on O-F-F, golden arches got my belly goin'
oh yes yes
So let's just ease on down ease on down the road

No pager roll my hip as I rollin' my whip
'Cause today I'm on the solo creek
Man, why you think I be workin' all week

I'm just cruisin'
Where, baby, I don't care
Just cruisin'
As long as you take me there
Just cruisin'
Somewhere to clear my mind
Just cruisin'
Just cruisin'

I'm just cruisin'
Where, baby, I don't care
Just cruisin'
As long as you take me there
Just cruisin'
Somewhere to clear my mind
Just cruisin'
Just cruisin'

Sun settin' in the S-K-Y, must say I've had the best day
I tryin' to find an exit a place to chill not to hectic
So I can spend some time with Will

Let the sun shine to the moonlight clearin' my mind
Soul search, see what I find
If I'm being the best lover and friend
Am I being the best daddy I can

I pray I am and I feel good today
Reminence as I'm cruisin' around the way
Roll tight passed the park where I used to play
Can't think of the better way to spend my day

Uh, still findin' my way, still growin'
Petrol rowin', move soon showin'
Gots to get goin' losing the light
And the freaks come out at night

I'm just cruisin'
Where, baby, I don't care

Just cruisin'
As long as you take me there
Just cruisin'
Somewhere to clear my mind
Just cruisin'
Just cruisin'

I'm just cruisin'
Where, baby, I don't care
I'm just cruisin'
As long as you take me there
Just cruisin'
Somewhere to clear my mind
Just cruisin'
Just cruisin'
