Yeah Yeah Yeah Yeah
Miami, uh, uh
Southbeach, bringin the heat, uh
Haha, can y'all feel that
Can y'all feel that
Jig it out, uh

Here I am in the place where I come let go
Miami the base and the sunset low
Everyday like a mardi gras everybody party all day
No work all play okay
So we sip a little something lay the rest the spill
Me an Charlie at the bar running up a high bill
Nothin less than I'll when we dress to kill
Everytime the ladies pass, they be like (Hi Will)
Can y'all feel me, all ages and races
Real sweet faces
Every different nation, Spanish, Haitian, Indian,
Jamaican
Black, White, Cuban, and Asian
I only came for two days of playing
But every time I come I always wind up staying
This the type of town I could spend a few days in
Miami the city that keeps the roof blazing

Party in the city where the heat is on
All night on the beach till the break of dawn
Welcome to Miami (bienvenido a Miami)
Bouncing in the club where the heat is on
All night on the beach till the break of dawn
I'm going to Miami
Welcome to Miami

Yo I heard the rainstorms ain't nothin to mess with
But I can't feel a drip on the strip, it's a trip
Ladies half-dressed, fully equipped
And they be screaming out, (Will we loved your last hit)
So I'm thinking I'm a scoot me something hot
In this south-sea meringue melting pot
Hottest club in the city and it's right on the beach
Temperature get to ya it's about to reach
Five-hundred degrees

In the caribbean seas, with the hot mommies
Screamin (ay, papi)
Every time I come to town, they be spotting me
In the drop Bentley, ain't no stopping me
So, cash in your dough
And flow to this fashion show
Pound for pound anywhere you go
Yo ain't no city in the world like this
An if you ask how I know I gots to plead the fifth

Party in the city where the heat is on
All night on the beach till the break of dawn
Welcome to Miami (bienvenido a miami)
Bouncing in the club where the heat is on
All night on the beach till the break of dawn
I'm going to Miami
Welcome to Miami

Don't get me wrong, Chi-town got it going on
And New York is the city that we know don't sleep
And we all know that L.A. and Philly stay jiggy
But on the sneak, Miami bringing heat for real
Y'all don't understand
I never seen so many Dominican women with cinnamon
tans
MIRA this is the plan
Take a walk on the beach draw a heart in the sand
Gimmie your hand
Damn you look sexy
Let's go to my yacht in the West Keys
Ride my jet skis loungin in the palm trees
Cause you gotta have cheese for the summerhouse
piece on South Beach
Water so clear you can see to the bottom
Hundred thousand dollar cars, every body got em
Ain't no surprise to see in the club to see Sly Stallone
Miami my second home

Party in the city where the heat is on
All night on the beach till the break of dawn
Welcome to Miami (bienvenido a miami)
Bouncing in the club where the heat is on
All night on the beach till the break of dawn
I'm going to Miami
Welcome to Miami
-repeat-

Party in the city where the heat is on!

Mira means look in spanish.
