Yeah, yeah, yeah, yeah  
Miami, uh, uh  
South beach, bringin' the heat, uh  
Haha, can y'all feel that  
Can y'all feel that?  
Jig it out, uh

Here I am in the place where I come let go  
Miami the base and the sunset glow  
Everyday like a Mardi Gras, everybody party all day  
No work all play, okay

So we sip a little something, lay to rest the spill  
Me an Charlie at the bar runnin' up a high bill  
Nothin' less than ill, when we dress to kill  
Every time the ladies pass, they be like  
(Hi Will)

Can y'all feel me, all ages and races?  
Real sweet faces  
Every different nation, Spanish, Haitian, Indian,  
Jamaican  
Black, White, Cuban and Asian

I only came for two days of playing  
But every time I come I always wind up stayin'  
This the type of town I could spend a few days in  
Miami the city that keeps the roof blazin'

Party in the city where the heat is on  
All night, on the beach till the break of dawn  
Welcome to Miami  
Bienvenidos a Miami

Bouncin' in the club where the heat is on  
All night, on the beach till the break of dawn  
I'm goin' to Miami  
Welcome to Miami

Yo, I heard the rainstorms ain't nothin' to mess with  
But I can't feel a drip on the strip, it's a trip  
Ladies half-dressed, fully equipped

And they be screamin' out  
(Will we loved your last hit?)

So I'm thinkin', I'ma scoot me somethin' hot  
In this south-sea meringue melting pot  
Hottest club in the city, and it's right on the beach  
Temperature get to ya, it's about to reach  
Five-hundred degrees

In the Caribbean seas, with the hot mommies  
Screamin'  
(Aii poppy)  
Every time I come to town, they be spottin' me  
In the drop Bentley, ain't no stoppin' me

So, cash in your door, we flow to this fashion show  
Pound for pound anywhere you go  
Yo, ain't no city in the world like this  
An if you ask how I know I gots ta feed the film

Party in the city where the heat is on  
All night, on the beach till the break of dawn  
Welcome to Miami  
Bienvenidos a Miami

Bouncin' in the club where the heat is on  
All night, on the beach till the break of dawn  
I'm goin' to Miami  
Welcome to Miami

Don't get me wrong, Shytown got it goin' on  
An New York is the city that we know don't sleep  
An we all know that L.A. and Philly stay jiggy  
But on the sneak, Miami bringin' heat for real  
Y'all don't understand

I never seen so many Dominican women with cinnamon  
tans  
Mierda, this is the plan  
Take a walk on the beach, draw a heart in the sand  
Gimmie your hand

Damn, you look sexy  
Let's go to my yacht, in the West Keys  
Ride my jetskis, loungin' in the palm trees  
'Cause you gotta have cheese for the summerhouse  
piece on South beach

Water so clear, you can see to the bottom  
Hundred-thousand dollar cars, e'ybody got 'em  
Ain't no surprise in the club to see Sly, Stallone

Miami, my second home

Party in the city where the heat is on  
All night, on the beach till the break of dawn  
Welcome to Miami  
Bienvenidos a Miami

Bouncin' in the club where the heat is on  
All night, on the beach till the break of dawn  
I'm goin' to Miami  
Welcome to Miami

Party in the city where the heat is on  
All night, on the beach till the break of dawn  
Welcome to Miami  
Bienvenidos a Miami

Bouncin' in the club where the heat is on  
All night, on the beach till the break of dawn  
I'm goin' to Miami  
Welcome to Miami
