[Ludacris]

Uhh..

Cadillac grills, Cadillac mill's
Check out the oil my Cadillac spills
Matter of fact, candy paint Cadillacs kill
So check out the hoes my Cadillac fills
Twenty inch - wide, twenty inches high
Hoe don't you like my twenty inch - ride
Twenty inch thighs make twenty inch - eyes
Hoping for American twenty inch - pies
Pretty ass - clothes, pretty ass - toes
Oh how I love these pretty ass - hoes
Pretty ass high class anything - goes
Catch 'em in the club throwin pretty ass 'bows
Long-john drawers, long-john stalls
Any stank puss' make my long john - pause
Women on they cell makin long john calls
And if they like to juggle, get long john's - balls

[Chorus: Ludacris] + (Pharrell)

All my players in the house that can buy the bar
And the ballin-ass niggaz wit the candy cars
If you a pimp and you know you don't love them hoes
When you get on the flo' (nigga throw dem 'bows)
All my women in the house if you chasin cash
And you got some big titties wit a matchin ass
Witcha fly-ass boots or ya open toes
When ya get on the flo' (nigga throw dem 'bows)

[Ludacris]

Dirty South mind blowin Dirty South bread
Catfish fried up, Dirty South fed
Sleep in a cot'-pickin Dirty South bed
Dirty South guls gimme Dirty South head
Hand me down flip-flops, hand me down socks
Hand me down drug dealers hand me down rocks
Hand me down a 50 pack Swisher Sweets box
And goodfella rich niggaz hand me down stocks
Mouth full of platinum, mouth full of gold
Forty glock cal' keep your mouth on hold
Lie through your teeth you could find your mouth - cold

and rip out ya tongue cause of what ya mouth - told
Sweat for the lemonade, sweat for the tea
Sweat from the hot sauce, sweat from the D
And you can sweat from a burn in the third degree
And if you sweat in your sleep then you sweat from me

[Chorus]

[Ludacris]
