Verse 1

Vibe da vibe second
dis a club girl why you arrive naked
Hear that veteran glide the record
But don't download got out and by the record
Something sexy bout a girl on the floor
All her friend around her
I mean real clean ain't gotta touch or nothing
it ain't like i don't like it chick on chick or something
I'm just a sucker for a hot track
Gimme a drink and a chick to tell stop that
Dance is a hop and a clap flip it round

Now bring it own back break it down

Chorus:

Switch
every body dance now
ooo la la la
Switch
turn it over and shake ya body
Turn around now
Turn it over and
OOO la la la

Elephant man:

Let me love the way you shake yo booty and
Get jiggy with it
