Yeah, yeah, yeah, yeah, Miami, uh, uh
South beach, bringin' the heat, uh
Ha, ha, can y'all feel that, can y'all feel that?
Jig it out, uh

Here I am, in the place where I come, let go
Miami, the base and the sunset low
Everyday like a Mardi grass, everybody party all day
No work all play, okay

So we sip a little something, lay the rest the spill
Me an' Charlie at the bar running up a high bill
Nothin' less than ill when we dress to kill
Every time the ladies pass, they be like
(Hi, Will)

Can y'all feel me? All ages and races, real sweet faces
Every different nation, Spanish, Haitian, Indian,
Jamaican
Black, White, Cuban, and Asian, I only came for two
days of playing
But every time I come, I always wind up staying
This the type of town, I could spend a few days in
Miami, the city that keeps the roof blazing

Party in the city where the heat is on
All night on the beach till the break of dawn
Welcome to Miami
(Bienvenido a Miami)

Bouncing in the club where the heat is on
All night on the beach till the break of dawn
I'm going to Miami
Welcome to Miami

Yo, I heard the rainstorms, ain't nothin' to mess with
But I can't feel a drip on the strip, it's a trip
Ladies half dressed, fully equipped
And they be screaming out
(Will, we loved your last hit)

So I'm thinking, I'm a scoot me something hot

In this south sea meringue melting pot
Hottest club in the city and it's right on the beach
Temperature get to ya, it's about to reach
Five hundred degrees

In the Caribbean seas with the hot mummies screamin'
(Ay, papi)
Every time I come to town, they be spotting me
In the drop Bentley, ain't no stopping me

So, cash in your dough
And flow to this fashion show
Pound for pound anywhere you go
Yo ain't no city in the world like this
'An if you ask how I know I gots to plead the fifth

Party in the city where the heat is on
All night on the beach till the break of dawn
Welcome to Miami
(Bienvenido a Miami)

Bouncing in the club where the heat is on
All night on the beach till the break of dawn
I'm going to Miami
Welcome to Miami

Don't get me wrong, Chi-town got it going on
And New York is the city that we know don't sleep
And we all know that L.A. and Philly stay jiggy
But on the sneak, Miami bringing heat for real

Y'all don't understand
I never seen so many Dominican women
With cinnamon tans, MIRA this is the plan
Take a walk on the beach draw a heart in the sand
Gimmie your hand, damn you look sexy

Let's go to my yacht in the West Keys
Ride my jet skis loungin' in the palm trees
'Cause you gotta have cheese
For the summer house piece on South Beach

Water so clear, you can see to the bottom
Hundred thousand dollar cars, everybody got 'em
Ain't no surprise to see in the club to see Sly Stallone
Miami, my second home

Party in the city where the heat is on
All night on the beach till the break of dawn
Welcome to Miami
(Bienvenido a Miami)

Bouncing in the club where the heat is on
All night on the beach till the break of dawn
I'm going to Miami
Welcome to Miami

Party in the city where the heat is on
All night on the beach till the break of dawn
Welcome to Miami
(Bienvenido a Miami)

Bouncing in the club where the heat is on
All night on the beach till the break of dawn
I'm going to Miami
Welcome to Miami

Party in the city where the heat is on
