It's here and I like it  
Big Will, uh K-Ci yÃ¢Â€Â™ all bringing it in, what?  
It's here and I like it  
Say what? What? Say what? What?  
Gonna pack the dance floor  
And do what with it?  
Rock the dance floor

Here it comes the party of a lifetime  
31st of December  
Man I remember when the ball dropped for '90  
Now it's '99, ten years behind me

What's gonna happen? Don't nobody know  
We'll see when the clock gets to 12-0-0  
Chaos, the cops gonna block the street  
Man who the hell cares? Don't stop the beat

No time to sleep, yo it's on tonight  
K-Ci you feeling me right?  
2000, the Will 2K  
The new millennium, yo excuse me Willennium

It can't get thicker than this  
Slick like Rick I can't miss  
And we gonna party like it's 19  
Hold up it is

Here it comes another year  
Come on everyone, new millennium  
Here it comes another year  
Everyone, new millennium

It was a party night, everybody was drinking  
The house was screaming and the bass was shaking  
And it won't be long till everybody knowing  
That 12 o'clock the roof will be blowing

Drinks on me, up the cups  
Midnight coming full thrust  
Dick Clark holding it down  
The second hand rolling around

Hundred thousands deep, world wide press  
Hate to be the man that gotta clean this mess  
Same resolution, get the money  
Ain't where we've been, it's where we gon' be

Get ready to hum Auld Lang Syne  
'Cause a person that know the words is hard to find  
First soul train line of the year  
Four, three, two, one

It's here and I like it  
Gonna pack the dance floor  
Rock the dance floor

Here it comes another year  
Come on everyone, new millennium  
Here it comes another year  
Everyone, new millennium

Say yeah, yeah, say yeah, yeah  
Say yeah, yeah, say yeah, yeah  
Say yeah, yeah, say yeah, yeah  
Say yeah, yeah, yeah, yeah

I remember trying to count how old I'd be  
When the clock struck twelve in the year two G  
Media noche finally near  
This will be that anthem amongst the cheers

Just the man to usher it in  
Big Will bringing the heat, K-Ci bringing the plan  
Ringin' it in, waiting for the ball to drop  
That 2000 vault we breaking the lock

May hip hop keep blazing the charts  
May the past keep a warm spot in your heart  
May the future hold more joy than pain  
Hands in the air waiting for confetti to rain

It's here and I like it  
Gonna pack the dance floor  
Rock the dance floor

Here it comes another year  
Come on everyone, new millennium  
Here it comes another year  
Everyone, new millennium

It was a party night, everybody was drinking  
The house was screaming and the bass was shaking

And it won't be long till everybody knowing at 12  
o'clock  
At 12 o'clock

Here it comes another year  
Come on everyone, new millennium  
Here it comes another year  
Come on everyone, new millennium

True dat, true dat, true dat  
Yo London, uh come on  
Yo Bangkok, come on, come on  
L.A., ha, ha  
The N.Y.C., come on, say what? Say what?  
Yo Philly, come on, hey, hey  
Hey Tokyo, come on  
Everybody say what now, say what now, saw what now  
Come on, come on, come on
