Don't run away
'Cause I don't know where you go
I don't want to know
Don't follow me in
'Cause I don't know where I'm going
Or how long I'll be

Living in a dark tower
Getting darker by the hour
Will I wake up
From a dark, dark daydream?
Nothing can awake me from my shell
Not you or no one else

Don't wait for me, girl
'Cause I don't know what I'm after
You or my career
Don't say it's the end
'Cause I could not take it
Do you know me still?

Living in a dark tower
Getting darker by the hour
Will I wake up
From a dark, dark daydream?
Nothing can awake me from my shell
Not you or nobody else

Ahh, ahh
Ahh, ahh

Living in a dark tower
Getting darker by the hour
Will I wake up
From a dark, dark daydream?
Nothing can awake me from my shell

Living in a dark tower
Getting darker by the hour
Will I wake up
From a dark, dark daydream?
Nothing can awake me from my shell

Not you or no one else
