Logan's bread is lemons  
Cutie sisters that I work with at my job  
They don't know who I am  
They know nothin' about me  
And they shouldn't  
'Cause I am nobody

Life's so dark and gloomy  
I haven't left my room all week  
Heaven's just a palm tree away

Laying on the beach with a tropical drink  
UB40 is serenading me  
And I know who I am when I'm buried in the sand  
Drive me into town  
But don't you hold my hand

Life's so dark and gloomy  
I haven't left my room all week  
Heaven's just a palm tree away  
Heaven's just a palm tree away

Life's so dark and gloomy  
I haven't left my room all week  
Heaven's just a palm tree away  
Heaven's just a palm tree away  
Heaven's just a palm tree away  
Heaven's just a palm tree away
