Red headed and sweet
Only seventeen
Saw you in some kind of
Gypsy crystal ball wet dream

Wild curly hair
A face that doesn't care about me
No, you're reading a book outside
By yourself always

When you go to your dark place, I
Wanna look in your light
Wanna look around inside your head
Wanna turn on your light

Late afternoon
Up there in your room
Heard you humming something
Softly to yourself awake

When you go to your dark place
I wanna look in your light
Wanna look around inside your head
Wanna turn on your light

I wanna really get it and I can't relate
I just wanna lock myself away
Only wanna spend my time with you
Only wanna do what you wanna do

And I don't know what I want from you
Not sure if I wanna stay with you
I can't take my mask away

When you go to your dark place, I
Wanna look in your light
Wanna look around inside your head
Want to turn on your light

I wanna really get it and I can't relate
I just wanna lock myself away
Only wanna spend my time with you

Only wanna do what you wanna do

And I don't know what I want from you
Not sure if I wanna stay with you
I can't take my mask away

I wanna really get it and I can't relate
I just wanna lock myself away
Only wanna spend my time with you
Only wanna do what you wanna do

And I don't know what I want from you
Not sure if I wanna stay with you
I can't take my mask away
