You can hang on to me
But my love won't surround you
Now that you're finally gone
I am free to get on with my life

You can summon all the gods
That your black heart desires
They cannot help you 'cause they're starting fires
To burn you alive

Tell it to the volcano, from what I know you're goin'
down the hole
Down you're goin' down the hole, tell it to the volcano
Save your sorry's, tell it to the volcano

A year ago today I was fallin' in love with you
I didn't know how I could tell you
You were breaking my heart, shrinking my head
I couldn't get out of my bed

Tell it to the volcano, from what I know you're goin'
down the hole
Down you're goin' down the hole, tell it to the volcano
Save your sorry's, tell it to the volcano

Oom, I'd like to chuck ya
Oom, I'd like to chuck ya
Oom, I'd like to chuck ya
Oom, I'd like to chuck ya
Oom, I'd like to chuck ya
Oom, I'd like to chuck ya down

Oom, I'd like to chuck ya
Oom, I'd like to throw away the pain on my own
You're cryin' and you're screamin'
And you're beggin' not to go

Tell it to the volcano
Down you're goin' down the hole, tell it to the volcano
Save your sorry's, tell it to the volcano

Oom, I'd like to chuck ya

Oom, I'd like to chuck ya
Oom, I'd like to chuck ya
Oom, I'd like to chuck ya
Oom, I'd like to chuck ya
Oom, I'd like to chuck ya down
