I'll do anything for you
Because I'm in love with you
You do everything for me
So I'll do anything for you

Wedding vows that were said to me
That I promised I would never break
I didn't know I had to stop the drink
Until one day it made me stop and think

Sober, is hard to keep when I'm pressured
Your love, is what I need to help keep me sober

I'll do anything for you
Because I'm in love with you
You do everything for me
So I'll do anything for you

Bridge

I'll do anything for you
Because I'm in love with you
You do everything for me
So I'll do anything for you
For You!
