We call her Queen Helene
You gotta know what I mean
Reciting poetry in Venice Beach
When She was a teen

Jim Ladd was a walking on by
When a sparkle got his eye
Queen Helene
You know it was Queen Helene

We call her Queen Helene
You gotta know what I mean
She's the life of the party
When the tribe is on the scene

Jim Ladd is playing all the right tunes
And in the background you can hear WOO HOO
Queen Helene
YoOu know it's Queen Helene

Bridge

We Call her Queen Helene
You gotta know what I mean
Answering phone calls to
Help out Wylde Wes and Kareem

Jim Ladd is a mighty lucky guy
Got a fine long legged pony
Right by his side
Queen Helene Tribal Queen Helene
Queen Helene Queen Helene

Yeah Yeah Yeah Yeah Yeahhhhhhhhhhhh.
