Why don't you tell me what's wrong, baby?

I'll do all I can.

And if it's about where we're heading,

maybe, you have the wrong man.

Cause' I can see for miles

when the sun is up,

but it's midnight and I can't see at all.

It's so hard and I can't think at all.

It's so hard and I don't think we're working out.

If you ever got the time, darling.

Why don't you give me a call.

I just want to say I'm so sorry.

I never knew it all.

It's alright.

We're so stupid and we're young.

Love is blind,

it was words that really stung.
