Oh yeah
Bring it on, oh yeah

Here we go again
It seems like all we do is stand around the edge
Tell me how, how do we get on when we don't even
talk?
The cards are on the table, I'm tired of playing in this
game

Tell me what you want 'cause you never say
There's no way that you're happy baby
One minute we are up and then we're down
We goin' round and I doubt that you're happy baby
Are you happy baby?

Oh, I heard about the fun that other people have
And I feel so left out, I feel so upset
That clearly we must lack that certain special thing
So why is it your turn? I'm tired of playing in this game

Tell me what you want 'cause you never say
There's no way that you're happy baby
One minute we are up and then we're down
We goin' round and I doubt that you're happy baby
Are you happy baby?

There's no way I can tell you, yeah
Tell me what you want, tell me what you need, oh yeah
There's no way, oh you're happy with me, oh
Round and I doubt that you're happy baby, that you're
happy baby

Tell me what you want 'cause you never say
There's no way that you're happy baby
One minute we are up and then we're going down
We goin' round and I doubt that you're happy baby
Are you happy baby?
