Walk Away
That's what you do
And it looks like i'm
Somebody you once knew

Your caught in a corner
With nowhere to hide you eyes
Do you think you wanna
Say Goodbye

Hey
Always the last to say
Everything makes you feel
Like a walking away
Come on Come on Come on Come on

Hey
Always the last to say
Everything makes you feel
Like a walking away
Come on Come on Come on Come on

There's a bit of me
That will always be with you
And something tells me
This is love were due

Hey
Always the last to say
Everything makes you feel
Like a walking away
Come on Come on Come on Come on

Hey
Always the last to say
Everything makes you feel
Like a walking away
Come on Come on Come on Come on

Come On Come On Come On Come On Come On Come On
