(Yeah Yeah, eh eh) (ummm)

Im Feel like running (ummm)
life is funny that way
days keep moving, nighttime im losing (sleep)

(Bridge)
When the good has gone bad, and the bad has gone
wrong
and the wrong is the reason im all alone
when the high comes down and everthing is gone
I remember someone told me

(Chorus)
When your down down down down down
you don't wanna get up, but you have to
and the life you lead keeps kicking you around
you don't wanna get up, but you have to (no)
(Na na yeah!) (nananana yeah!)

Time is chasing, pain ain't leaving (oh oh)
and Im blind of emotion
happyness is just confusion in my mind

(Bridge)
And the bridges in my head are throwing stones
and the stones they throw barely miss my bones
and a high class clown, where no class owes
I remember someone told me

(Chorus)
When your down down down down down
you don't wanna get up, but you have to
and the life you lead keeps kicking you around
you don't wanna get up, but you have to (no)
(yeah yeah yeah yeah yeah yeah yeah yeah)
(yeah yeah yeah yeah yeah yeah yeah yeah)
(ooh) (get up, get up, get up, get up) (ooh)

(Chorus)
When your down down down down down (when your
down)

you don't wanna get up (don't wanna yeahayey), but
you have to
and the life you lead keeps kicking you around (kicking
you around)
you don't wanna get up (nanana) but you have to (I
have to)
When your down down down down down
you don't wanna get up, but you have to (oooh)
and the life you lead keeps kicking you around
you don't wanna get up, but you have to (oooh)
when your down down down down down (when your
down)
you don't wanna get up (yeah yeah yeah), but you have
to (oooh)
and the life you lead keeps kicking you around
you don't wanna get up
(yeah yeah yeah yeah yeah yeah yeah yeah yeah)
but you have to (oooh)
(yeah yeah yeah yeah yeah yeah yeah yeah yeah)
(oooh)
(yeah yeah yeah yeah yeah yeah yeah yeah yeah)
(oooh)
(yeah yeah yeah yeah yeah yeah yeah yeah yeah)
(oooh)
(yeah yeah yeah yeah yeah yeah yeah yeah yeah)
(oooh).
