Aaa

Don't you see how I fight it?  
Tryin' to hide from a life of real pain  
Maybe time has allowed it  
Feelin' the feel when I'm hearin' your name

'Cos you will decide how I survive?  
Do you realize inside oh?  
(Its you who'll decide and how will I survive?)  
(When we're going to live a lie)  
Just how much it's killing me

I'm just caught in the middle of you  
Play my heart with a little bit of  
Dangerous love  
And I really want to be free, aa aa  
Got me caught and I'm livin' in a low life world  
It's your unoriginality that's killin' me  
I've just got to be free

Now tell me what you want from me  
Again and again you pretend it's alright, yea  
I'm feelin' now that I can breathe  
Can't comprehend how you can't recognize

'Cos time can't change the way I feel  
(Time that, time has changed)  
(Change the way I feel)  
(You will, you will find)  
And you will find that I'm gonna be  
(Now that time has changed)  
(Change the way I feel)  
(You will, you will find)  
More than you'll ever let me be

I'm just caught in the middle of you  
Play my heart with a little bit of  
(Hmm)  
Dangerous love  
And I really want to be free  
(Want to be free)  
Aa aa

Got me caught and I'm livin' in a low life world  
It's your unoriginality that's killin' me  
I've just got to be free  
(Yea haa hey)  
Yea

Free to disown you  
'Cos I thought that I told you  
You been treating me badly  
And you misappreciate my love  
Tryin' to breathe  
But it's killin' me slowly  
And you started to break me  
With your dangerous love  
(Ohh hmm)

Got to  
Got to be free  
(Hmm)  
Got to  
Got to be free  
(Aa aa)  
Got to  
(Yea yea yea)  
Got to be free  
(Yea yea)  
Got to  
Got to be free  
Aa aa

I'm just caught in the middle of you  
(I'm just caught)  
Play my heart with a little bit of  
(Play my heart)  
Dangerous love  
And I really want to be free  
(Yea)  
Aa aa  
Got me caught and I'm livin' in a low life world  
(Got me caught, low life world )  
It's your unoriginality that's killin' me  
I've just got to be free  
(Yea yea)

I'm just caught in the middle of you  
(I'm just caught)  
Play my heart with a little bit of  
(Play my heart)  
Dangerous love  
(Play my heart)  
And I really want to be free, aa aa

Got me caught and I'm livin' in a low life world  
(Got me caught, low life world )
