Mm, mm

Hey, hey

I don't understand, what's the plan

Why I'm standin' here today?

All I've ever known is a fear to be grown up and take
the blame

It was not too clear 'cause this is new to me

Was it plain to see?

No time for insecurity

It's never coming back to me, oh no

Never seem to get it when I know what I want

'Cause it's all a lie

Never knew a time when I thought it was right

To get it off my mind

I was, oh so blind, I was wrong

'Cause it's all about my feelings from now on

Hey, hey

I don't really care if

You share all the pain that I left behind

It doesn't really matter 'cause now I've got my peace of
mind

Let me make it clear, ya, yea, yea

No time for insecurity

It's never coming back to me, ya, ya

Never seem to get it when I know what I want

'Cause it's all a lie

Never knew a time when I thought it was right

To get it off my mind

I was, oh so blind, I was wrong

'Cause it's all about my feelings from now on

Never seem to get it when I know what I want

'Cause it's all a lie

Never knew a time when I thought it was right

To get it off my mind

I was, oh so blind, I was wrong

'Cause it's all about my feelings from now on

It's all about my feelings from now on
It's all about my feelings from now on
It's all about my feelings from now on

It's all about my feelings from now on
It's all about my feelings from now on
It's all about my feelings from now on

It's all about my feelings from now on
It's all about my feelings from now on
It's all about my feelings from now on
