Hey, maybe I'm lost
I'm overwhelmed
Out of this place.

Like a boy, lost in the rain
When I hear your name
And I see your face

I could stay all night
Throw my cares into the wind
Fighting so hard this time
Don't know what else to do

Hearts... Hearts are on fire
I'm on the wire
Falling for you

(Falling for you... falling for you... falling for you)

My loves been missing I'm told
Left out in the cold
You're warming on my heart

And the pain
It disappears,
Whenever you're near
Wherever you are

Hearts hearts are on fire
I'm on the wire
Falling for you
I know, there's no straight line
It's different this time
I'm falling for you

(Oh yeah)

Could this be what I wanted... this time?

(Falling for you... falling for you... falling for you)

Hearts, hearts are on fire
I'm on the wire
Falling falling for you
I know it's different this time
There's no straight line
I'm falling for you

(Oooh oooh yeah yeah falling for you)
