Oh

I, I.... I

I wanna be bad witchu, baby

I, I, I, I

I wanna be bad wit you, baby

Do you

Understand what I need, need

From you

Just let me be the girl to show

You, you

Everything that you can be

Is everything that I can be

(I wanna be) My turn

Let me let you know that I,

I can't promise that I won't do that

So, boy

Say the time and place

'cause you make me wanna misbehave

:::Chorus:::

I wanna be bad (bad)

You make bad look so good

I've got things on my mind

I never thought I would

I, I wanna be bad (bad)

You make bad feel so good

I'ma losing all my cool

I'm about to break the rules

I, I wanna be bad

I wanna be bad witchu, baby

I, I, I, I, (with you yeah yeah yeah yeah)

I wanna be bad witchu, baby

What's up?

Tell me what to do, how to be

Teach me

All your words from A to Z

But I

Don't want your other girl to see  
That you're messing 'round with me, no  
Should I boy  
Tell ya what I got is what ya want  
Tell, tell me, do I, I turn you on?  
I don't want no one judging me

.:Chorus:.

I wanna be bad (bad)  
You make bad look so good - ooh ooh, no no no  
I've got things on my mind (mi-i-i-ind)  
I never thought I would  
Never thought I would - I, I wanna be bad (bad)  
You make bad feel so good  
I'ma losing all my cool  
I'm about to break the rules - about to break the rules  
boy  
I, I wanna be bad

Willa, Willa, Willa, whatcha want, whatcha want?  
Willa, Willa, Willa, whatcha want? - (Come and get it  
from me)  
Is it him, the criminal with the Stan look? Uh!  
Do you need a real shady to.. - (Please stand up!)  
Or is it me, the criminal in the V,  
That never pretend to be nothin' other than a.. - (Bad  
boy)  
If you say you want me, tell me how you gon' be.  
(Hey, Royce) Yo.  
(I wanna be bad) C'mon.

I wanna be bad (bad)  
You make bad look so good - you make bad look so  
good  
I've got things on my mind  
I never thought I would - I never thought, I never  
thought I would  
I, I wanna be bad (bad)  
You make bad feel so good - you make bad look so  
good  
I'ma losing all my cool - you make bad feel so good  
I'm about to break the rules - about to break, about to  
break I wanna be

I, I wanna be bad (bad)  
You make bad look so good (ah ah ah ah)  
I've got things on my mind  
I never thought I would  
I, I wanna be bad (bad)  
You make bad feel so good - so good  
I'ma losing all my cool

I'm about to break the rules  
I, I wanna be bad
