Went to see the world
Met some pretty people
Now I know what Iâ€™m not looking for
They say its close to home
That is where youâ€™ll meet them
What I found makes it hurt the more
And ooh and now and now and now youâ€™re here
But your still no nearer
Iâ€™m hanging because
(chorus)
You might need love someday
I wont give up
Donâ€™t know donâ€™t care how long
Iâ€™m just gonna sit here till you
Come around to me oh no
I wont give up
Donâ€™t tell me should I give up
I couldnâ€™t if I knew how
I will worship you
Put you on a pedestal
And always let you know your beautiful
Youâ€™re my drop of sun
Wont you let me into your life
You donâ€™t see it but Iâ€™m good for you
And oh here I go I go I go again
And Iâ€™m still no nearer

But ill hang right on because
You might need love
Someday, I wont give up
Donâ€™t know donâ€™t care
How long in just sit gonna sit here till you
Till you come around to me
Oh no I wont give up
You need me some how
Iâ€™m telling you but you donâ€™t know it
Its just matter of time
Some day youâ€™ll see
That you and me got something going on
And on and on and on
On and on
Just stop thinking that youâ€™re alright

I cant help you (repeat four times)

You might need love someday
I wont give up
DonÂ't know donÂ't care how long
IÂ'm just gonna sit here till you
Come around to me oh no
I wont give up
DonÂ't tell me should I give up
I couldnÂ't if I knew how
(repeat four times)
