I take it all back  
All that I said  
It comes out to fast

So I

Just couldn't help  
The way that I felt  
I started the fire.

Watching you walk  
I followed you there  
Standing too close

It's hurting.

I pictured the words  
The warmth of your breath.  
I started the fire

It's burning.

And it feels like jealousy  
And it feels like I can't breathe  
And I'm on, down on my knees  
And it feels like jealousy.

Seeing a light  
A face in the crowd  
My lonely heart is racing.

And my whole world  
Is under attack.  
What kinda love am I facing?

Is it me that you want  
Cos its me you can have  
Can you give me an answer?

I'm tired of waiting.  
I'm tired of thinking.

And it feels like jealousy  
And it feels like I can't breathe  
And I'm on, down on my knees  
And it feels like jealousy.

I'm tired of waiting.

I'm tired of thinking.

And it feels like jealousy (hey)  
And it feels like I can't breathe (I can't breathe)  
And I'm on, down on my knees (ohh)  
And it feels like jealousy.
