I'm here, just like I said
Though it's breaking every rule I've ever made
My racing heart, is just the same;
Why make it strong to break it once again?
And I'd love to say "I do";
Give everything to you
But I could never now be true

So I say...
I think I better leave right now
Before I fall any deeper
I think I better leave right now
Feeling weaker and weaker
Somebody better show me how
Before I fall any deeper
I think I better leave right now

I'm here, so please explain
Why you're opening up a healing wound again
I'm a little more careful, perhaps it shows
But if I lose the highs at least I'm spared the lows
Now I tremble in your arms
What could be the harm?
To feel my spirit calm?

So I say...
I think I better leave right now
Before I fall any deeper
I think I better leave right now
Feeling weaker and weaker
Somebody better show me how
Before I fall any deeper
I think I better leave right now

I wouldn't know how to say
How good it feels seeing you today
I see you've got your smile back
Like you say - you're right on track
But you may never know why
Once bitten, twice as shy
If I'm proud, perhaps I should explain
I couldn't bear to loose you again

Yes, I will.
I think I better leave right now
Feeling weaker and weaker
Somebody better show me how
Before I fall any deeper...
I think I better leave right now
