Nastified

Ya! Jae mwo ya. jae oot ip peun got jom bwa.

Oh My GOD u guys! Look at the girl that just walked up
in the club!

Yeo gi ga o di ra go jo ro go o nya. jin jja gi ga mak him
da.

Wha-? AND she's trying to take our men?

Ahh nah, we gotta let her know what's up 'round here!

Who are you, and why you do the things you do

You're messing with my boo

Girl can't you see the man's with me?

Excuse me please, I need some privacy

Girl listen up, I'm onto you

I run this place and the men here too.

Well good for you, if that is true

You might as well tell them what to do.

What're you tryin' to prove to me?

Your tattoo don't mean a thing

Your busty shirt, your sleazy boots

It's not the way I like to look.

I'm sexy, I'm classy, I'm a lady

And this is how I'm nastified

Welcome to the real east coast

Where your boo-tay ain't considered a beau-tay

Why you creepin' right up in my town?

You thinkin' you can put me down

Well baby girl, I don't think so

I'm not some stupid nasty *uhh!*

I'm sexy, I'm crazy, I'm still a lady!

And this is how I'm nastified

Why do you keep on tryin' to creep on my man?

I said why why, now why why?

Why can't you go and find yourself your own man?

I said why why I said why why?

This is how we roll here...
And this is how we roll here...
