There's another little world that I oughta see.  
It's mysterious as my poppa told me.  
Venger's a bad guy who ain't too clean.  
He's real low down and he's kinda mean.

Venger, Venger, trouble looks for you.  
Venger, Venger, things you get into.  
A bad guy's gotta do what a bad guy's gotta do, yeah.

One scream for Venger and you're in trouble.  
If he gotta cut on the double,  
We'll be happy that he'd be gone  
Plus we'll be rockin' all day long.

Venger, Venger, trouble looks for you.  
Venger, Venger, things you get into.  
A bad guy's gotta do what a bad guy's gotta do, yeah.

Dungeon Master's ranger shoots into a tree  
While his barbarian and magician create a ragin' sea.

His thief disappears 'cause she likes it like that  
With help from his cavalier and acrobat

At the crack of dawn, Venger disappears  
And he can kiss my ass in 100 years.  
That guy looks like he never saw a doc.  
C'mon, Everybody. Let's do the Realm rock.

Venger, Venger, trouble looks for you.  
Venger, Venger, things you get into.  
A bad guy's gotta do what a bad guy's gotta do, yeah.

A bad guy's gotta do what a bad guy's gotta do, yeah.
