Ain't it pretty when she walk  
Ain't it pretty when she walk  
Ain't it pretty when she talk  
Ain't it pretty when she talk

Ain't it sexy when she move  
She's so sexy when she move  
It's so lovely what she do  
When she do them thing she do, ooh

When she do them thing she do, ooh  
When she do them thing she do  
It's lovely, oh, it's lovely  
It's lovely, yeah, it's lovely

Girl look good when she sit  
Down at the bus stop lickin' on her lips  
I seen a lot of chicks, I gotta admit  
But you the baddest girl that I seen in a minute

You got nice eyes, some real nice lips  
You got a pretty face, tig ol' bits  
I just wanna pay you some compliments  
Please don't think that I'm tryna get in it

But baby, if you wanna gimme a lil' some  
Here go my number, girl, call me if you  
Wanna get to know each other better if you don't  
that's cool  
I just had to come and compliment you

Had to let you know you got a beautiful view  
Your front says, oh, your back says, ooh  
There's a million things I can think to do  
But right now I just wanna watch you  
Just watch you, watch you

Ain't it pretty when she walk  
Ain't it pretty when she walk  
Ain't it pretty when she talk  
Ain't it pretty when she talk

Ain't it sexy when she move  
She's so sexy when she move  
It's so lovely what she do  
When she do them thing she do, ooh

When she do them thing she do, ooh  
When she do them thing she do, ooh  
When she do them thing she do, ooh  
When she do them thing she do

It's lovely, oh, it's lovely  
It's lovely, yeah, it's lovely

You're just gorgeous, so beautiful  
When God made you, He made you slow  
He took His little time, plus you wear the halo  
One of a kind, you the star of the show

Girl, you shine, baby doll, you glow  
You so fine and I know that you know  
You prolly get mobbed everywhere that you go  
You need a body guard 'cos your body like whoa

Walk down the boulevard, boys like whoa  
Walk down the courtyard, boys like whoa  
If you want a best friend, girl, let me know  
If you want a boyfriend, here's I go

I love you, I love you, love you  
I love you, I love you, love you  
I love you, I love you, love you  
I love you, I love you, love you

I love you, I love you, love you  
I love you, I love you, love you  
I love you, I love you, love you  
I love you, I love you, love you  
I love you

Ain't it pretty when she walk  
Ain't it pretty when she walk  
Ain't it pretty when she talk  
Ain't it pretty when she talk

Ain't it sexy when she move  
She's so sexy when she move  
It's so lovely what she do  
When she do them thing she do, ooh

When she do them thing she do, ooh  
When she do them thing she do, ooh

When she do them thing she do, ooh  
When she do them thing she do

It's lovely, oh, it's lovely  
It's lovely, yeah, it's lovely  
It's lovely, oh, it's lovely  
It's lovely, yeah, it's lovely

It's lovely, oh, it's lovely  
It's lovely, yeah, it's lovely  
It's lovely, oh, it's lovely  
It's lovely, yeah, it's lovely

It's lovely, oh, it's lovely  
It's lovely, yeah, it's lovely  
It's lovely, oh, it's lovely  
It's lovely, yeah, it's lovely
