Yeah (x7)  
[Dan Talevski: Verse 1]Baby (baby)  
Lately I've been thinking about you  
And it's driving me crazy (crazy)  
Cause I just wanna give you all this love and I hate it  
(hate it)  
When I have to wait oh baby I'm trying to patient  
(patient)  
But my heart is in a rush  
[Hook]I want you (I want you)  
I need you (I need you)  
Right now (Right now)  
Right now  
I can't do (I can't do)  
Without you (without you)  
Not now (not now)  
Baby I'm so gone...  
Girl I...  
[Chorus]Girl I think I'm falling  
And I don't wanna get up  
And even if I'm dreaming  
I don't wanna wake-up  
Tell me again I can have you baby  
365 oh yeah...  
Cause if everytime we touch  
I'll be in a trance  
Cause I just wanna do it again  
Oh baby can we do it again (x8)  
[Verse 2]When I wake-up,  
The first thing I wanna do is see your face girl (face  
girl)  
Boo you be looking so good  
Don't need no make up  
Everytime you go away  
I want you to stay girl (stay girl)  
Right here girl (right here girl)  
[Hook](cause) I want you (I want you)  
I need you (I need you)  
Right now (Right now)  
Right now  
I can't do (I can't do)

Without you (without you)

Not now (not now)

Baby I'm so gone...

Girl I...

[Chorus]Girl I think I'm falling

And I don't wanna get up

And even if I'm dreaming

I don't wanna wake-up

Tell me again I can have you baby

365 oh yeah...

Cause if everytime we touch

I'll be in a trance

Cause I just wanna do it again

Oh baby can we do it again (x8)

Soulja Boy Tell 'Em

Bow

She Want it

[Soulja Boy]Uh, you're on my mind like money

I'm on my grind, like Tony

Girl I know you want me (baby)

We'll have a good time, now won't we

I'm soulja boy tell em

Drop top Lambo, riding in sunset letting your hair blow

Girl you look good baby you so sexy

In a brand new Lexus, naw

Riding in the candy paint Bentley

Throw some more cash, I got plenty

Yeah and I love these women, and they love my pimpin'

I forgot to mention that - dress got me trippin'

Don't trip baby, don't be stingy

Let's do it again, and again baby

[Chorus]Girl I think I'm falling

And I don't wanna get up

And even if I'm dreaming

I don't wanna wake-up

Tell me again I can have you baby

365 oh yeah...

Cause if everytime we touch

I'll be in a trance

Cause I just wanna do it again

Oh baby can we do it again (x8)
