You make my world,
You make my world go 'round
You turn me up,
You turn me upside down
You make my world,
You make my world go 'round
You get me off,
You get me off the ground

You pick me up when I fall down
You pick me up when I fall down

Girl, you're like an elevator cuz you always pick me up
Girl, you're like a doctor,
When I'm sick, you always stitch me up
You could be my DJ, I'm your record,
Djome and mix me up
You can be my lollipop,
Let me let me lick you up

On the bottom, on the top, baby, let me flip you up
You can be my soda pop, Coca Cola sip it up
Whip cream, whip it up,
Strip on, zip it up
I could be your chip, you can be my dip,
Let me dip it up

You make my world,
You make my world go 'round
You turn me up,
You turn me upside down
You make my world,
You make my world go 'round
You get me off,
You get me off the ground

You pick me up when I fall down
You pick me up when I fall down
You pick me up when I fall down
You pick me up when I fall down

Miley Cyrus:

Boy, you're like an elevator
Cuz you always pick me up
Boy, you're like my doctor, when I'm sick,
you always stitch me up
You could be my DJ, I'm your record, come and mix me
up
Boy, just be my lollipop,
Let me let me lick you up
Always on my membrane, I love you so I give it up

will.i.am:

Let's visit all the places that's exquisite,
Let's go live it up
Walking down lover's lane, flying in aeroplane
Boy, you get me higher
like your name was Mary Jane

You make my world,
You make my world go 'round
You turn me up,
You turn me upside down
You make my world,
You make my world go 'round
You get me off,
You get me off the ground

You pick me up when I fall down
You pick me up when I fall down
You pick me up when I fall down
You pick me up when I fall down

Fall down
You pick me up when I fall down
You me pick up when I fall... down
When I'm down
You pick up, up off the ground
When I'm down down down down down

High
