We should love one another yeah, yeah,
Yeah, yeah, ohh, ohh, ohh
You best not be talking you better be stroking
Far east Mississippi cause they don't allow
No stripping down in far east Mississippi no, no
Hang on, far east Mississippi
Far east Mississippi
We ought to love one another
Like sisters and brothers yeah
I would love yeah

They don't 'lough no bad living no skinny dipping
In far east Mississippi child no
They don't know honey
No tailducking in far east Mississippi child
Far east Mississippi
Far east Mississippi

You don't stand for no chil violence
No gun knifing far east Mississippi, no
You best not be lying be denying
Coming from far east Mississippi child
Far east Mississippi, far east Mississippi
