(Chorus)

Let's fly away, fly away, fly away,
fly away to a better place, better place, better place.
Where I can be free free free free free free.
Where I can be free free free free free free.
And fly away, fly away, fly away,
fly away to a better place, better place, better place.
Where I can be free free free free free free.
Where I can be free free free free free free.
I don't gotta worry bout bout, worry bout bout, worry
bout bout.
Worry bout that bullshit bullshit bull-bullshit.
Come on let's go go go go go go go go.
Come on let's go go go go go go go go.

(Verse1)

Fuck them motherfuckers that be fuckin around.
I told them motherfuckers i ain't known for fuckin
around.
I whip my 9 out out out out out out.
It goes blam blam blam blam blam blam blam.
Nah, that ain't my style; I'm known for keepin' it cool.
But you don't want me actin' crip don't want me actin a
fool.
I come down down down down down down down.
Imma stay cool baby baby.
And fly away, fly away, fly away,
fly away to a better place, better place, better place.
Where I can be free free free free free free.

Where I can be free free free free free free.
And fly away, fly away, fly away,
fly away to a better place, better place, better place.
Where I can be free free free free free free.
Where I can be free free free free free free.
I don't gotta worry bout bout, worry bout bout, worry
bout bout.
Worry bout that bullshit bullshit bull-bullshit.
Come on let's go go go go go go go go.
Come on let's go go go go go go go go.
(Verse2)
Everybod-Everybody's pullin' on me.

I got the world on my shoulders like you wouldn't
believe.
I just wanna sho-out.
I'm so stre-stressed o-out.
All i want for yall is to get off my case.
And to get get get get get get out my face.
Before i blow blow blow blow blow blow blow.
I think you need to g-g-go g-g-go go.
Go now. Go away.
Right now. Right away.
Run now. Run away.
Fly now. Fl-fly now, now(25x)
Hey (25x)
