Get my geek on, get my, get my geek on [3x]

Get my geek on, get my, get my geek geek

Here we go, here we, here we go [4x]

[Verse 1]Hey, I'm on that geek geek  
Freaking technology technique  
Yeah, I flow tight never leak,  
I'm the future with a bunch of antique  
I make Google money, that's a lot of clicks  
So tell me who the dummy and who's the genius ?  
Yeah, that's why you buy it, use it, use it at it  
I thought it up and you bought it  
I bought cause I'm technologic  
Oh, yep, I might it have called  
He wasn't one but he wasn't old  
Oze, triple ones, he was an oz  
Oz, yo, I'm ice cold  
I am too cool, I am new school  
I am plus pic, let me take a flick booth  
Hey y'all, I'm the fucking nerd  
I'm about to ball real big, Mark Zuckerberg  
You know the nerd is a perp, what you heard ?  
Ain't need to follow, but lead up, tweety bird

[Hook]

[Verse 2]Hey, I roll with gangsta geeks  
We're white cold like Dr Dre been making Beats  
He made an app that a got billion users in a week  
We bought a boat, four hundred eighty feet  
I'm so dope, baby, I'm a shit geek  
But ladies know, that's why they send me tweet tweets  
I let them know that I be on my B.I.Z.'  
Pimping technology, that's what I be  
Flossin, Willy on the cover of Fortune  
Five double 0, sending flows to martians  
Gold digger pros got me taking precaution  
Cause they just want my dope #extortion  
But I don't go for that, y'all know my style  
I rode it out for that, call tricky out

I'm so pay, my friends call me pay pal  
I make a lot of chips, now they call me Intel

[Hook]

[Verse 3] I had a dream and then the dream came true  
I bought a boat and I bought a private plane too  
I bought a space ship to go to outer space too  
And all I had to do is get the ace in the stool  
Check me out, I'm a, I'm an engineer  
A mathematician, technician and a visioneer  
A scientist, the motherfucking nerd  
The rebirth, the clue, fuck what you heard
