Get your money, baby, get your money, baby  
Get your money, baby, get your money, baby  
If you strippin', I ain't trippin'  
If it's alright with you, it's alright with me

She's a single momma, makin' dollars  
Cabaret and make you holla  
Lookin' lovely, day and nightly  
Makin' hubbies leave they wifey

Homewrecker, heartbreaker  
Love to shake her money maker  
She's too sexy for her clothes  
So she throws them on the floor

She danger, she danger  
Watch out, boy, that don't fall in love  
She just handlin' business  
Go 'head, girl, go, go work your stuff

Get your money, baby  
Go get it  
Get your money, baby  
Go get it

Get your money, baby  
Go, go get it  
Get your money, baby  
Go, go get it, get it

If you strippin', I ain't trippin'  
If it's alright with you, it's alright with me

She's drop dead intelligent  
Her fragrance is that stripper scent  
Bras' poppin' to Bon Jovi  
Thongs' drop to 50 Cent

Private dancer, bubble twister  
Just be glad she ain't your sister  
Hands off her, you can't touch her  
Fall in love and she bound to crush ya

She danger, she danger  
Watch out, boy 'cos she chew you up  
She just handlin' business  
Go head, girl, go 'cos

I ain't mad, I ain't mad  
I ain't mad at ya, I ain't mad  
'Cos girl, you bad [Incomprehensible] bad  
You doin' your thang and [Incomprehensible]  
Do your work, girl

When you drop your bubble low  
Girl, I'll give it up and I'll clap  
When you crawlin' on the flo'  
Girl, I clap

Get your money, baby  
Go get it  
Get your money, baby  
Go get it

Get your money, baby  
Go, go get it  
Get your money, baby  
Go, go get it, get it

If you strippin', I ain't trippin'  
If it's alright with you, it's alright with me

When you work it, work it, work it  
Girl, when you work it  
Please don't hurt me, hurt me, hurt me  
Hurt me, don't hurt me

When you drop it, drop it, drop it  
Pop it and drop it  
Take it easy, easy, easy  
Easy, go easy

Because you bad girl, bad girl, dynamite  
(Damn right I'm bad)  
That's right you bad girl, bad girl, dynamite  
(Damn right I'm bad)

Oh, yeah, you bad girl, bad girl, dynamite  
(Damn right I'm bad)  
I said you bad girl, bad girl, dynamite  
(Damn right I'm bad)

Get your money, baby, get your money, baby

Get your money, baby, get your money, baby  
If you strippin', I ain't trippin'  
If it's alright with you, it's alright with me
