Party in the Ipanema, baby!

I wanna party
I wanna samba
I wanna party
I wanna samba

I wanna party
And live my life (my life)
I wanna party (party)
And fly

Imma fly, fly just like a bird
(But you are a bird!)
Oh yeah, you're right,
So let me fly just like a rocket, then (ok)
Fly so high where I need to come down for oxygen
(hey)
Cause once we started, baby, ain't no ain't no stoppin'
then (hey)

Cause I just want to live my life and party (hey)
All I want is to be free, and rock my body (ok)
Been around the world and I wanna live my life
In Rio
Cause in Rio
In Rio, I realize

I wanna party (party)
I wanna samba (party)
I wanna party (party)
And fly

Pedro: I'm that samba, samba
Master, master, master
Master, master

Who shall sound from my
Ghetto blaster, blaster,
Blaster, blaster, blaster

You dance fast,

But I dance faster, faster, faster
Faster, faster

You're too slow
You need to catch up
Both: You can dance, and dance, but I?

Nico: I wanna party (party)
I wanna samba (party)
I wanna party (party)
I wanna samba (party)

I wanna party (party)
And live my life (live my life)
I wanna party (party)
And fly

(Blu caws)
Hey, hey, hey, hey, hey, hey
(Blu caws)

Laya x4, laya x8

Hey, hey, hey, hey, hey, hey
(Blu caws)

Hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey,
