Love yourself not your possessions
Love yourself not your possessions
Love yourself not your possessions
You need to possess more of yourself

Love yourself not your possessions
Love yourself not your possessions
Love yourself not your possessions
You need to possess more of yourself

You might find yourself in a foreign land
You might find yourself in somebody's dividend
You might find yourself all by yourself

Love yourself not your possessions
Love yourself not your possessions
Love yourself not your possessions
You need to possess more of yourself
Love yourself not your possessions
Love your-
