[John Legend]

Hey... hey... hey... hey...

Hey you, yeah you with the tight blue jeans

Little shorty 'bout five foot three

...with the long-ass weave, girl please

Allow me, to come thru and introduce myself

Let me tell you how the Legend was built

I look nice, and I sing real swell, damn well

[will.i.am - imitating some girl name Charice]

Nigga please, better learn how to speak to me

Need to say my name properly

That's Charice spelled with a C, now leave

Cause I don't, got time for a nigga that's broke

Still rockin that Shalin coat

Wearin fashion that's three years old, oh no

[John Legend]

Slow down, you're dealin with a big dog now

Lemme tell you how a playa get down

If you want to talk about my style, say wow

That's right, that truck over there is mine

And baby girl if you act real nice

Later on we can take it for a ride, in my ride

[Chorus]

Ride ride ride ride, ride

Ride ride ride ride, ride

Ride ride ride ride, ride

Let's riiiiiiide

[charice.i.am]

Say word, later on I don't know if you heard

It's jumpin off at 1st & 3rd

Come early cause the line's absurd, yeah word

[John Legend]

Okay, hit me up later on today

Leave a message on my two-way

I'ma go get a barbershop fade, a tight fade

[charice.i.am]

Well let's meet, at the deli on 23rd Street
9:30 to get a bite to eat
Save room for a special treat, it's real sweet

[John Legend]

Nah mean, now we's about to get obscene
Lemme tell you somethin about them jeans
I peel 'em off like a tangerine, strip clean

[charice.i.am]

Is that a fact? You talkin like a real live mack
With the old school Cadillac
With three chicks and a mink in the back, I like that

[John Legend]

Well, alright, now you talkin that language I like
I got a feelin that it's on tonight
Buck wild 'til the broad daylight, that's right

[Chorus]

[Outro: will.i.am]

La la, la-la-la-la-la
La la, la-la-la-la-la
La la, la-la-la-la-la
La la, la-la-la-la-la
La la, la la la-la-la-la
La la, la-la-la-la-la
La la, la-la-la-la-la
La la, la-la-la-la-la
La la, la la la-la-la-la, la la
