Oh my goodness, this beat is so hard...
Oh my goodness, this beat is so hard...

I'mma go hard, hard to the core
Hard like motherf*ckin liquid swords
Harder than worldwide stadium tours
I am the future, delorian's doors

Will he survive? Never deceased
I don't think I'mma ever rest in peace
I'mma kill the game, leave the rest in pieces
Now everybody want my recipes

Tell a jealous chicken I don't know what the beef is
I'm just making money for my grankids' nieces
I'mma work hard, that's my basis
This beat is a sh*t, feces

Pardon me ma'am, I'mma go dumb
Small I.am, I'm complicated, hard I.am
I end the beginning, then starting again

You can go hard or you can go home

Oh my goodness, this beat is so hard...
Oh my goodness, this beat is so hard...

You can get that, or you can get this
You can call it demon, I'mma call it Jesus
You can get a curse, you can get a cross
You can go to work, or you can be the boss
I'mma be the owner, be thĐ°t doner
I'mma go hard, like I'm on a f*c*in boner
I'mma make the beat put the people in a coma
You can be a geek or be a rolling stoner

Uh... I woke up in the morning,
Hard like morning wood in the morning
Woke up thinking about my microphoning
E.T on the mic on the homeland

I wait out like NASA,
I'm way over here I don't pass ya
I get stacks of cash, you get cashews
I go hard, statues

You can go hard or you can go home

Oh my goodness, this beat is so hard...
Oh my goodness, this beat is so hard...

Now let me take this time to say
I don't wanna beat you down
You can go hard or you can go home
Well I, I know it is a lot to take
I don't wanna beat you down
You can go hard or you can go home
You can go hard...

Wait a minute
I'mma make it a little harder
I'mma make it a little harder
Give it to you a little harder

This is hard...

Hard like a Rock 'n Roll
Time bombs ticking, explode
Vivid as a dynamo
Better move back now
It's 'bout to blow
Hard like geometry
And trigonometry
This is crazy
Psychology
Get it baby
I'm 'bout to win
Watch out now
I'm going in

You can go hard
Or you can go home
You can go hard
You can go hard
Or you can go home
You can go hard
