World wide, world wide  
W-w-world wide, world wide  
All over the world!  
World  
World wide, world wide  
W-world wide, world wide

I come from Angeles City Pompango  
Allen Pineda cane and share us in the struggle  
I've been working ever since I was younger  
Saying with the earth through grounds to the thunder

We got our own food, now tell me whose drama  
I ate no food, I'm all about the Pumpa  
Now this goes up to all the workers, all the farmers,  
All the builders and the carpenters, working hard for  
someone  
Yeah

#### CHORUS

Keep on, keep on workin'  
All my people are there, we be workin'  
Get it paid minimum wage of workin'  
It's dedicated to my people all over  
All over the world...(X 18)

For my people from the Philippine Island  
We gonna fight to make it right cause it's our land  
The world economically struggle and  
Most of us are governed by hunt to try to hustle,  
damn...

That's why we grunning just to make a dialog,  
Turned into a far dialog  
Everybody screaming "holla"  
Must my people get me shutter?

No, just keep on gettin' harder,  
Mother, sister, sister, father  
Working overseas, gettin money for the grandfathers  
Yeah

CHORUS

Keep on, keep on workin'

All my people are there, we be workin'  
Get it paid minimum wage of workin'  
It's dedicated to my people all over  
All over the world...(X 18)

We're working trying to build a house  
For some food into the mouth  
Family, you've got a fee-  
Money to the grocery

Kids've got to go to school  
Make sh\*t at their stomachs fool  
Five to nine, nine to five  
Every day just to survive

Anyway, all the time  
From Dubai to PR  
From Dublin to Senegal  
Senegal to amway

Everybody know somebody  
Abidabi workin' men  
Mother, daughter, sister, uncle  
Undertaken workin' men  
For someone

CHORUS

Keep on, keep on workin'  
Oh mama, grann, all the time I be workin'  
Get it paid minimum wage of workin'  
It's dedicated to my people all over  
All over the world...(X 18)

He's the king of the Filipines  
He's the king of the Filipines  
Allen Pineda, Pineda,  
King of the Filipines...

I'm Filipino! Filipino!  
Filipino! Filipino!  
All over the world...
