No
What... they... say...
What is it with what they say
Say to me
Nothing can stop me
Hear me

The boy is working you
Be careful what you do
They say he's nothing
But trouble then attitude
Will meaning intervention
My friends with good intentions
Say if you don't walk away
Girl you must be crazy.

They don't see through this eye
They don't feel with this heart
They don't know what it's like
Oh wow wow
They're not kissing your lips (babe)
They're not touchin' like this
I feel the passion and the firing light me on

I don't care what they say
I don't care what they do
They could lock me out forever
And try to stop me loving you (they can't stop me)
May try to keep roll me
??? yet apart
Baby doesn't matter what they say
I only listen to my heart

I can't help but think to
Nothing's gonna stop me loving you
I don't care what they say
I am gonna love you anyway

Your body feels so right
Layin' by my side
Lift the world surrend tonight
Baby I just satisfy

I know you're a better man
Sorry babe don't understand
You make me feel like I
Like I never felt before (yeah)

I don't care what they say
I don't care what they do
They could lock me out forever
Try to stop me loving you (nothing can stop me)
May try to keep roll me
??? yet apart
Baby doesn't matter what they say
I only listen to my heart

Ahah ahah (no)
Nobody can tell me how to feel
Ahah ahah (uh uh)
Nobody can show what it's real (nobody)
Ahah ahah (oh yeah)
Words can't change what I know it's true
Ahah ahah
Nothing's gonna stop loving you

They don't see through this eye (see through this eyes)
They don't feel with this heart (feel with this heart)
They don't know what it's like
Oh wow wow (no, that's right)
They're not kissing your lips (they're not kissing your
lips)
They're not touchin' like this
I feel the passion and the firing light me on

I don't care what they say (I don't care)
I don't care what they do
They could lock me out forever
Try to stop me loving you (oh baby)
May try to keep roll me
??? yet apart
Baby doesn't matter what they say (oh it doesn't
matter what they say)
I only listen to my heart

I don't care what they say
I don't care what they do (I don't care what they do)
They could lock me out forever
Try to stop me loving you (they can't stop me loving
you) (can't stop me)
May try to keep roll me
??? yet apart
Baby doesn't matter what they say (doesn't matter
what they say)

I only listen to my heart

I can't help but think through
Nothing's gonna stop me loving you
I don't care what they say
I am gonna love you anyway
(I only listen to my heart)

I can't help but think through
Nothing's gonna stop me loving you
I don't care what they say
I am gonna love you anyway
