Oh

I, I, I...

I wanna be bad with you baby

I, I, I, I

I wanna be bad with you baby

Do you

Understand what I need, need (from you)

Just let me be the girl to show you (you)

Everything that you can be is everything that I can be

I wanna be

My turn

Let me let you know that I can (I can)

Promise that I won't do that

So boy, say the time and place 'cause you make me

wanna misbehave

I wanna be bad

You make bad look so good

I've got things on my mind

I never thought I would

I, I wanna be bad (bad)

You make bad feel so good

I'm losing all my cool

I'm about to break the rules

I, I wanna be bad

I wanna be bad with you baby

I, I, I, I,

I wanna be bad with you baby

Yeah...

What's up?

Tell me what to do, how to be

Teach me

All you're moves from A to Z but I,

Don't want your other girl to see

That you're messin' 'round with me.

Should I, boy

Tell you what I got is what you want?

Tell, tell me do I, I turn you on?  
I don't want no one judging me

I wanna be bad  
You make bad look so good (Oooh...)  
I've got things on my mind (Oh...)  
I never thought I would (Never thought I would)  
I, I wanna be bad (bad)  
You make bad feel so good  
I'm losing all my cool  
I'm about to break the rules (about to break the rules,  
boy)  
I, I wanna be bad

I wanna be bad with you baby (I wanna be bad with you)  
I, I, I, I, I wanna be bad with you baby  
I, I, I, I, I wanna be bad with you baby (I wanna be bad)  
I, I, I, I, I wanna be bad with you baby  
I, I

I wanna be bad  
You make bad look so good (You make bad look so  
good)  
I got things on my mind  
I nevr thought I would (I never thought I, never thought I  
would)  
I, I wanna be bad  
You make that feel so good (You make bad look so  
good)  
I'm losing all my cool (You make bad feel so good)  
I'm about to break the rules (About to break, about to  
break)  
I, I wanna be bad

You make bad look so good (Oh...)  
I've got things on my mind  
I never thought I would  
I, I wanna be bad  
You make bad feel so good  
I'm losing all my cool (cool...)  
I'm about to break the rules  
I, I wanna be bad
