Oh, I, I, I
I wanna be bad with you baby
I, I, I, I
I wanna be bad with you baby

Do you, understand what I need, need (from you)
Just let me be the girl to show you (you)
Everything that you can be is everything that I can be
I wanna be
My turn
Let me let you know that I can (I can)
Promise that I won't do that
So boy, save it 'til my place cause you make me wanna
loose my head

I wanna be bad
You make that look so good
I got things on my mind
I never thought I would
I, I wanna be bad (bad)
You make that feel so good
I'm loosing all my cools
I'm about to break the rules
I, I wanna be bad

I wanna be bad with you baby
I, I, I, I, I wanna be bad with you baby

What's up?
Tell me what you do honey
To teach me
All you want is me but I,
Don't want your other girl to see that your messin'
around with me,

Should I boy
Tell you what I got is what you want?
Tell, tell me boy want me boy?
Oh No one does it like me

I wanna be bad
You make that look so good

I got things on my mind
I never thought I would
I,I wanna be bad (bad)
You make that feel so good
I'm loosing all my cools
I'm about to break the rules
I,I wanna be bad

I wanna be bad with you baby
I, I, I, I, I wanna be bad with you baby

I wanna be bad with you baby
I, I, I, I, I wanna be bad with you baby

I wanna be bad
You make that look so good
I got things on my mind
I never thought I would
I,I wanna be bad (bad)
You make that feel so good
I'm loosing all my cools
I'm about to break the rules
I,I wanna be bad
