oooohhh oooohhh
I'm not such an Innocent Girl

First impressions
Can be wrong
So let me clear what's going on
Baby I'm not who you think I am

I need to feel your lips on mine
So I'm pulling you across the line
You think I'm the fragile one?
One step the damage done
oooh oooh

I'm not made of china
I'm not made of glass
Would it shatter your illusions If this angel had a past?

If you touch me
I won't break
Don't think I'll be that way
I'm not such an innocent girl
Don't wrap me up in cotton wool
Up on the pedestal
This time I've had it
I'm not such an innocent girl

I've got a secret rose tattoo
I'm dying just to show you
I'm not who you think I am
Time to take off those kid gloves
T.K.O., me fall in love
Don't be scared you'll break my heart

Not gonna fall apart

I'm not made of china
I'm not made of glass
Would it shatter you world
If this angel had a past?

If you touch me

I won't break
Don't think I'll be that way
I'm not such an innocent girl
Don't wrap me up in cotton wool
Up on a pedestal
This time I've had it
I'm not such an innocent girl

If you touch, if you touch me
I, if touch me I won't break (I won't break)
If you touch, if you touch me
I if you touch me, I won't break (I won't break)

ooooooooohhhh

[Chorus 3x]

If you touch me
I won't break
Don't think I'll be that way
I'm not such an innocent girl
Don't wrap me up in cotton wool
Up on a pedestal
This time I've had it
I'm not such an innocent girl
