Just cause I'm small, can't hurt you at all
I'm only a girl, what to do?
Let me sing my song for you
Not many can
resist my command
I know just how to get to you
Let me sing
my song for you

When you lay down late at night
I'm the siren you can't fight
I know you don't stand a chance
There is nothing you can do
Once I put my spell on you
When I sing my lullaby
Lullaby
Lullaby
Lullaby
When I sing for you my lullaby

Ohhhh
Now that you see
It wasn't a dream
Reality got the best of you
Told ya boy, I will come after you
Now it's too late
Can't hesitate,
To hide this fate with deja vu
Watch out, boy, I'm coming for you
When you lay down late at night
I'm the siren you can't fight
I know you don't stand a chance, boy
There is nothing you can do
Once I put my spell on you
When I sing my lullaby
Lullaby
Lullaby
Lullaby
When I sing to you my lullaby

In your sleep
It's got you so deep,

My sweet melody
Has captured you (ooh)
Forevermore..

Lullaby
Lullaby (No, no)
Lullaby (Lullabyy..)
When I sing for you my lullaby
Sing my lullaby..

When you lay down late at night
I'm the siren you can't fight.
I know you don't stand a chance, boy
There is nothing you can do
Once I put my spell on you
When I sing my lullaby

Sing my lullaby
