That boy is working you
Be careful what you do
They say he's nothing
But trouble with an attitude

Well-meaning intervention
My friends with good intentions
Say if you don't walk away
Girl you must be crazy

They don't see through these eyes
They don't feel with this heart
They don't know what it's like
They're not kissin your lips
They're not touching like this
I feel passion and the fire ignite in me

Chorus:

I don't care what they say
I don't care what they do
The could lock me up forever
Try to stop me loving you
They tried to keep Romeo and Juliet apart
Baby, doesn't matter what they say
I only listen to my heart

I don't care what they do
Nothin's gonna stop me loving you
I don't care what they say
I'm gonna love you anyway

Your body feels so right
Laying by my side
And if the world should end tonight
Baby I'd be satisfied
I know you're a better man
Sorry they don't understand
You make me feel like I
Like I've never felt before

Chorus

Nobody can tell me how to feel

Nobody can show me what is real
Words can't change what i know is true
Nothin's gonna stop me lovin you
Chorus
