You with the sad eyes, don't be discouraged, oh I
realize it's hard to take courage
In a world full of people, you can lose sight of it all
And the darkness, inside you can make you feel so
small

But I see your true colors shining through
I see your true colors and that's why I love you
So don't be afraid to let them show
Your true colors, true colors are beautiful, like a
rainbow

Show me a smile then, don't be unhappy, can't
remember
When I last saw you laughing
If this world makes you crazy and you've taken all you
can bear
You call me up because you know I'll be there

And I'll see your true colors shining through
I see your true colors and that's why I love you
So don't be afraid to let them show
Your true colors, true colors are beautiful, like a
rainbow

[Instrumental part]

So sad eyes, discouraged now, realize

When this world makes you crazy, and you've taken all
you can bear
You call me up, because you know I'll be there

And I'll see your true colors shining through
I see your true colors and that's why I love you
So don't be afraid to let them show
Your true colors, true colors, true colors cause there's a
shining through
I see your true colors and that's why I love you
So don't be afraid to let them show
Your true colors, true colors, true colors are beautiful,
like a rainbow.
