Ohhhhhhhh.....my angel...my angel...wont you be mine! Under the heaven and the sky wont you be mine. I never thought that I would meet the angel god had sent6 upon earth. And all my life, all I have ever wanted was some one that I can love. And now that you'r here....I think thats came true. So why should I...have to wait any longer to be with you. As long as I'm here,.....you'r never gonna be alone. (As long as I'm here.) You'll never be sad! (As long as I'm here.) I'll hold you'r hand! (As Long as I'm here.) You'll never be left along in the dark waist land! And now that I'm here I will be there for you till I die. I won't let you go. You will never be sad again. For as long as the hope is here,I will be with you.....
