he's so dedicated to sounds (to sound)
he's so dedicated to silence (to silence)
he's so dedicated to words (to words)
he's so dedicated to silence (to silence)

it's a wish in dark night (dark nights)
it's a wish in bright light (white lights)

he's so dedicated to sound (to sound)
he's so dedicated to silence (to silence)
he's so dedicated to words (to words)
he's so dedicated to silence (to silence)

it's a wish in dark night (dark nights)
it's a wish in bright light (white lights)

it's a wish in dark night (dark nights)
it's a wish in bright light (white lights)

you live a thousand springs
when grey days turn to golden dreams
the night that lasts the light that wins
the alchemist is standing still

silence...

dedicated to the memory of Kobi Zilberman, RIP
