### "Not Knowing"

Visit "[Not Knowing](#)" on MotoLyrics.com

watching different roads and wonder where my own is  
rolling

waiting all day long for a change and it's showing

all those moments days and years

left me standing here not knowing

all these people everywhere

kept me waiting and not knowing

holding to myself fear is all that kept me going

waiting all day long for a change and it's not showing

all those moments days and years

left me standing here not knowing

all these people everywhere
