I can't take you swimming the Rhein
Gas escapes... Bad air... Dying grass
Places out of bounds
Red sign tells you

X8 Take me to the round around around
X2 All across the universe it is spreading no reverse
Can we find a better place- more clean- more green

I can't take you out in this town
Foggy poison hunts people down
Places out of bounds
Red sign tells you

X8 Take me to the round around around
X2 All across the universe it is spreading no reverse
Can we find a better place- more clean- more green
